Dear Motor Vehicle Administrator:

The Pennsylvania Department of Transportation (PennDOT) has recently revised Form MV-4, "Certificate of Title for a Vehicle." The edition date is 10/09. A sample certificate of title is attached for your review.

The revised MV-4, "Certificate of Title for a Vehicle," includes the following changes:

- The PennDOT logo on the front of the title has been changed to reflect the updated PennDOT logo and was moved to the right hand side, directly above the Secretary of Transportation's name.
- The pantograph ink has changed to green, blending to blue, back to green.
- The Liberty Bell was changed from a three dimensional cylinder mold process watermark to a two dimensional bi-tonal fordineer process watermark. The Liberty Bell watermark continues to run down the right hand side of the title.

The following security features remain the same:

- The border is still dark blue in color. The title paper contains fibers that glow under a black light. The color on the reverse side of the title is a light green.
- The border pattern has remained unchanged. The warning within the left border remains unchanged and reads "Do Not Accept Document Without Verifying The Presence Of The Liberty Bell Watermark."
- The words "Commonwealth of Pennsylvania" and the warning printed in the bottom border remain the same.
- The state seal remains on the top half of the title.
- The background pattern maintains the "marbleized" look. The reverse side background is a "plain" look.
- The security thread continues to contain the words "Commonwealth of Pennsylvania."

Should you have any questions, please contact Ms. Nancy Myers, Manager of the Research and Support Operations Section, at (717) 787-9720.

Sincerely,

A handwritten signature in black ink that reads "Anita M. Wasko". The signature is fluid and cursive, with the first name "Anita" being more prominent.
